HR LEADERSHIP / TRANSFORMATION / AI

Mohammad Swaiti

HR Leader · Corporate Trainer

HR Transformation Practitioner

Business experience. Practical guidance.

Mohammad Swaiti combines Big Four HR consulting experience with regional people and hiring leadership. His work spans HR technology, process improvement and practical AI tools, alongside career support and corporate training.

PROFESSIONAL EXPERIENCE

HR leadership & consulting

Client-facing HR consulting and regional recruitment leadership, connecting business priorities with workforce insight, hiring decisions and practical people solutions.

HR transformation & AI

Hands-on work implementing recruitment systems, automating HR processes and building chatbots and AI agents to support day-to-day work.

Corporate training & career support

Training delivered in Jordan, Palestine and the UAE. Support covers CVs, interviews, career positioning, people management and using AI effectively at work.
